PRELIMINARY REPORT

EXPLANATORY NOTE

This document can only be reproduced in full; it only concerns the submitted sample.

Results have been obtained and reported in accordance with our general sales conditions available on request.

The tests are identified by a five-digit code, their description is available on request.

All test methods begin with characters EVN; A39; N79; EHC are internal methods developed by Eurofins Sac Ky Hai Dang.

"VD": These tests were performed in laboratory Eurofins Sac Ky Hai Dang (Ho Chi Minh).
