# Traditional Robusta

# Drip Bag Coffee

"Selected from the best raw material of Buon Ho - Gia Lai where the soil and climate are well suited to produce the Robusta coffee with the different taste and scent. Strong bitter taste, light scent, pure posture combined with hand-made roasting experience blended with butter, wines, make products suitable for traditional Vietnamese coffee g style. Traditional Robusta Coffee with new drinking way "Drip Bag Coffee" has strong scent as filter coffee."

# Cau Dat Arabica Coffee

# Drip Bag Coffee

“ Arabica Cau Dat is known as the Vietnamese Coffee Queen because of the passionate scent, bitter taste, pure slight sour posture. Water is light brown, clear of amber color is very beautiful. Arabica Cau Dat is grown in a special soil of Cau Dat - Da Lat, Vietnam, with an altitude of 1,500m, cool temperate climate all the year and always receive the pure early dew drops from the essence of sky - a precious gift of nature.

# Premium Mocha Coffee

# Drip Bag Coffee

“ Premium Moka (Mocha) - The coffee style of World Heritage. The quantity of Moka is limited, it is rarely grown from Cau Dat area, Da Lat plateau. Moka's coffee quality exceeds other types of coffee. Noble, incense scent, average bitter taste, delicate posture, slight sour feature. Our premium Vietnamese coffee is easy to make with no special equipment needed to brew. Just tear the bag, hang over your cup, pour water, and add sugar or milk. That's it!

# Chocolate Almond

# Drip Bag Coffee

Enjoy our all-natural flavors with the best with Chocolate Almond latte.

Our awesome blend Chocolate, Almond and fresh Cau Dat Arabica coffee come together to give the energy rich cup of coffee for vitalizing your mornings. Better than dessert.

# Coconut Latte

# Drip Bag Coffee

"We're reinventing the classics with our new Coconut coffee. This blend of dried coconut & delicious Vietnamese Coffee. Enjoy it hot, with ice and with sugary condensed milk is better than dessert. It features fatty taste from 100% real dried coconut and coffee perfect aroma. Experience the sweet, fruity, and fatty taste of real coconut we use in each naturally flavorful cup of coffee.

# Vanilla Latte

# Drip Bag Coffee

“We’re reinventing the classics with our Vanilla Lattes. It’s a very small thing, but it can bear big benefits to how you feel when you drink coffee, and hopefully, this vanilla latte. The a lighter-roasted Arabica coffee and Robusta coffee, real vanilla bean and a bit peanut butter (nothing artificial here) come together to create a delightful new twist on a beloved espresso classic. The sweet, bold taste, and floral notes of real vanilla beans we use in each naturally flavorful cup of coffee. It’s ready to captivate your senses right now. It’s wonderful to enjoy it hot or iced coffee with sugar or sweetened condensed milk!

# Mint Latte

# Drip Bag Coffee

“Why Mint Coffee? A healthy dose of chill.

The perfect blend between 10.5g of fresh coffee and 1.5g of real Mint (nothing artificial here) come together to give a healthy dose of chill. The wonderful flavor of Mint – Cool refreshing Taste. Awaken your senses on your mornings. It is more than a cup of coffee. It is also health benefits. In 90 seconds, our single serve filters will brew a rich Vietnamese-style cup of coffee perfection. Add sugar or sugary condensed milk to complete your coffee experience. Enjoy it hot, with ice is so great.

# Rosemary Latte

# Drip Bag Coffee

"It's a yummy way to start my day and gives me a chance to step outside and snip some herbs, which I always enjoy. Adding fresh herbs to your coffee can really change up your coffee game. The special blend of Vietnamese Robusta coffee combined with dried rosemary leaves creates a delicious drink with not strong flavor, great balances and health benefits. It's memorable and delicious to enjoy iced coffee with honey or sweetened condensed milk! Rosemary on the other is beneficial, it's an antioxidant and may help reduce blood sugar, rosemary also is associated with healthy brain and memory.

Best of all this pour-over makes you feel so fancy.

In 90 seconds, our single serve filters will brew a rich Vietnamese-style cup of coffee perfection. Our premium coffee is easy to make with no special equipment needed to brew. Just tear the bag, hang over your cup, pour water, and add your creamer. That's it!" Packed a couple of these packets for a weekend away from home, and they are easy to
