D SOFT COMPANY

MESSAGE

Recent technologies continue to evolve at tremendous speed. We have experienced a dramatic change in business and living environment over the past 20 years.

In the 1990s, Microsoft overturned the PC concept with Windows OS, Google, which has been around since 2000, made the Internet comfortable, and in 2005, Apple led the smart device era.

Our company name "D-SOFT" D has three meanings.

D Deep Learning in AI (Deep learning by artificial intelligence)

D ecentralized-App in Blockchain

D a nang The name of this company was changed in the hope that AI engineers living in Da Nang will flutter.

D-SOFT starts from Da Nang City and continues to challenge the global market with the motto "Never Change Goals"
