## ABOUT US

Established in 2007 in Sa Dec, Dong Thap, Cadovina is a leading Vietnamese Pangasius exporter with strong seafood expertise and large-scale processing capabilities. Located in the Mekong Delta's key Pangasius farming region, Cadovina benefits from reliable access to raw materials and a strategic foundation for international markets.

## PRODUCTION CAPABILITIES

With 250–300 MT of daily processing capacity and 1,300+ employees, Cadovina supports large-volume production through integrated processing, freezing, packaging, and cold-chain operations.

## QUALITY & CERTIFICATIONS

Quality, food safety, and traceability are built into every stage of our operations, supported by internationally recognized certifications and standards including BAP, ASC, IFS, HALAL, and SMETA.

## CORE PRODUCTS

Our diverse portfolio includes Pangasius, Value-Added Seafood, and Asian Food, covering flexible seafood formats, breaded products, formed seafood, Dimsum, Mandu, Spring Rolls, Hotpot, and other market-ready solutions.

## WHY CADOVINA

### PREMIUM QUALITY

Carefully controlled quality for safe, consistent products.

### SCALABLE PRODUCTION

Reliable capacity to support both growing and established programs.

### VALUE-ADDED DEVELOPMENT

Creating market-ready products that bring more value from seafood.

### CERTIFIED QUALITY

Food safety, traceability, and compliance built into every process.

### FLEXIBLE PROCESSING

Product formats tailored to market and buyer requirements.

### GLOBAL PARTNERSHIP

Trusted by international buyers across diverse food markets.

# PANGASIOUS & TILAPIA

Pangasius is at the heart of Cadovina's seafood expertise, offering versatile formats tailored for retail, foodservice, wholesale, and further processing.
