ABOUT *US*

Established in 2007 in Sa Dec, Dong Thap, Cadovina is a leading Vietnamese Pangasius exporter with strong seafood expertise and large-scale processing capabilities. Located in the Mekong Delta's key Pangasius farming region, Cadovina benefits from reliable access to raw materials and a strategic foundation for international markets.

QUALITY *& CERTIFICATIONS*

Quality, food safety, and traceability are built into every stage of our operations, supported by internationally recognized certifications and standards including BAP, ASC, IFS, HALAL, and SMETA.

PRODUCTION *CAPABILITIES*

With 250–300 MT of daily processing capacity and 1,300+ employees, Cadovina supports large-volume production through integrated processing, freezing, packaging, and cold-chain operations.

CORE *PRODUCTS*

Our diverse portfolio includes Pangasius, Value-Added Seafood, and Asian Food, covering flexible seafood formats, breaded products, formed seafood, Dimsum, Mandu, Spring Rolls, Hotpot, and other market-ready solutions.

CADOVINA
EST. NO.1 2007

WHY CADOVINA?

PREMIUM QUALITY
Carefully controlled quality for safe, consistent products.

SCALABLE PRODUCTION
Reliable capacity to support both growing and established programs.

VALUE-ADDED DEVELOPMENT
Creating market-ready products that bring more value from seafood.

CERTIFIED QUALITY
Food safety, traceability, and compliance built into every process.

FLEXIBLE PROCESSING
Product formats tailored to market and buyer requirements.

GLOBAL PARTNERSHIP
Trusted by international buyers across diverse food markets.
